Summary

Every aspect of our lives are connected to the internet.

So why not help build something better?

I'm a full stack web developer with a background in communications.

Experience

Student

The University of Texas at San Antonio

Jul 2021 - Present (6 months +)

Showrunner/ Videographer/ Editor

Ackerman McQueen

Sep 2015 - Jun 2021 (5 years 10 months)

Showrunner for BancFirst LoyalTV, a documentary web series spotlighting Oklahoma communities. In addition to directing the production of our weekly series, I have worked on broadcast TV spots ranging from short form profiles for the Chickasaw Nation to full 30 min reality-TV style productions.

Photojournalist

KENS 5

Oct 2011 - Sep 2015 (4 years)

During my time working in the fast-paced environment of TV news, I honed my craft as a writer, editor, and videographer. The demanding work environment provided me with the experience I needed to become a proficient storyteller.

Photojournalist

KFDA - NewsChannel 10 (NewsChannel 10 Media)

Jul 2010 - Sep 2011 (1 year 3 months)

Photojournalist

KVII-TV

May 2006 - May 2007 (1 year 1 month)

Education

The University of Texas at San Antonio

Full Stack Certification, Computer Science

2021 - 2022

A 6-month bootcamp certification offered by UTSA. The course taught both client-side web development and server-side data architecture. I had the opportunity to build many web applications, from concept to deployment.

 **Amarillo College**
Associate, Psychology

Skills

React.js • MySQL • SASS • Express.js • Node.js • MongoDB • Apollo GraphQL
